Head's Welcome

Dear Parents,

I trust that you all managed to enjoy a successful half term holiday?

Clearly the news of the second lockdown in England will have an impact on all of our lives over the next month at least, so I hope you are all focusing on sunnier, calmer days ahead! Personally, I keep imagining a special

beach in Skiathos and have promised myself visit there at some point when it is allowed again.

Our first week back has been very busy for many reasons and I am glad that so many parents could attend the online Google Parents' Evenings. I found the experience very unique; meeting with parents from my living room did cause much hasty tidying up! I am also pleased to say that the Bucks 11+ has finally been completed, so our Year 6 pupils can now rest and relax after months of preparation.

I do hope you are all adapting again to the new restrictions. Please do inform us immediately if your family has a positive test or you are contacted by the Track and Trace teams

and asked to self-isolate. It is vital for everyone's health and wellbeing that we all look after one another at this difficult time.

I hope you will have a good weekend and can recommend planting tulip bulbs as a very positive activity for everyone, the deeper the better according to Gardener's World!

With best wishes,

The Kindness Cup

A very big well done to **Fergus** Y3 this week for winning The Kindness Cup. Fergus always looks out for everyone around him; ready to help anyone who is struggling. He is also very polite and kind at all times.

Thank you for being so kind Fergus!

PTA Update

We had a great “fun week”, and would like to thank the children (and parents) who participated in the events. We raised £150 in total, £112 of which came from our mufti day contributions and the remaining from our events. This sum of money will go towards our school projects.

The PTA also wishes to thank everyone who contributed to Mrs. Cox’s leaving collection.

The KS2 Virtual Discos take place on Friday 4th December, at the following times:

Reception, Year 1, and Year 2: 5:30pm - 6:15pm

Year 3 and Year 4: 6:30pm - 7:15pm

Year 5 and Year 6: 7.30 pm - 8:15pm

Our Talented Children

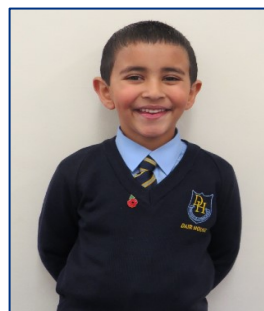

Maths Whizz

Megan Y2 made 10 progressions and **Shivank** Y6 made 11 progressions this week. Well done to you both!

Outside School Achievements

Well done to our Y3 boys; **Shiv** for achieving his yellow stripe belt and **Reuben** for achieving his white belt in kickboxing!

William Y1 was very proud to achieve his 10m swimming badge this week. Fab William!

A big well done to **Saesha** Y6, she has been shortlisted as one of the 100 children for the “hidden talent” Explore Learning writers’ award 2020. We wish you well for the final win.
