## Head's Welcome

Dear Parents,

I am pleased to say that all the children returned to school this week with smiles and brought their much missed happiness and laughter back to Dair House School. It is so good seeing the school full again and receiving a cheerful, friendly greeting each morning. Although we have had to wait a long time, it has been well worth the wait. I have to say, the children here haven't shown any of the anxieties in school which I have seen discussed in the media; their wonderful attitude is truly inspiring.

I must thank you all for helping the children come to school in a fantastic range of costumes for our postponed World Book Day yesterday. It was a very good idea of Mr Carter's to wait until we were back together, as it meant that we could all gather on the playground and enjoy a fantastically socially distanced, colourful spectacle.

It is also good to see to see the staff return as we plan for a very busy Summer term if the restrictions allow. To think about trips, clubs, fixtures and the possibility of PTA rounders and Camp Out is very uplifting.

I will finish by congratulating our Head Boy, **Shivank Iyer**, for being awarded a

Headmaster's scholarship to St James's last week. **Shivank** joins **Saasha**, **Max** and **Deeyan** to make this the most successful scholarship year at Dair House since July 2010, when we had our first Year 6 leavers.

I very much hope your lives at home are returning to normal now the schools are open again and that we can all move forward positively.

As President Lyndon B Johnson said,

**'Yesterday is not ours to recover, but tomorrow is ours to win or lose.'**

With best wishes,

## Our Talented Children

This week in our awards assembly we saw the most incredible website made by **Dhaiya** in Year 4 which was all about mindfulness. She made different pages which included yoga, colouring and relaxing music. The website was so good that the whole of Year 4 were told to use the website in their mindfulness lesson. Great work Dhaiya!

We also saw a fantastic video from Mrs Haward's **Reception** class as they sang a song that they had learned in their music class with Miss Shafi.

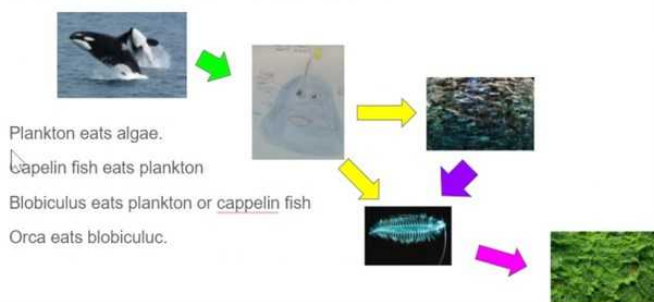

Mrs Richards showcased some more brilliant science work this week including a piece from **Deeyan** on 'Adaptive Creatures', **Amrit** did a piece on 'Fossils' and even included some links to other websites to show further information. **Zainab** also made a great PowerPoint off her own back which included a huge amount of research and time to pull together.

**Susannah** in Year 6 achieved her Grade 2 piano certificate, well done Susannah!

This week the Kindness Cup goes to...

*Theo*

Theo in Year 6 this week gave up his snack for his friend, that is true kindness!

**Well done Theo!**
