Head's Welcome

Dear Parents,

I am very pleased that all of our children in Years 5 and 6 have enjoyed a four night residential trip to Skern Lodge in North Devon this week. It has been an invaluable week for them as they have been able to enjoy getting away and working together in a totally different environment.

They tackled the many challenges

wonderfully as you will see in this E-letter. Of course, there would be no possibility of the children enjoying such a week without the commitment and enthusiasm of the staff, so I would like to thank them all for their very hard work.

As we enter the half term holiday, I would like to remind you of our art competition. The children have been asked to draw, paint, sketch or model any members of the Dair House staff. We have already received a number of entries, but it would be good if you could find time to encourage the

children over the holiday.

With the restrictions being reduced, I know some of you will be travelling to see relatives for the first time in a very long time over the next week or so. I hope you drive safely and will enjoy those first meetings again.

If the sun shines, we will all be able to enjoy a lovely holiday and return on 7th June refreshed and ready to go again for a very busy second half of term.

With best wishes,

Our Talented Children

Isabella in Year 4R has created a fantastic drawing of a palace. One side you can see the exterior of the palace but as soon as you flip the sheet over you get to see inside!

Hari in Year 3 impressed us all with his wonderful volcano work. You can even see the smoke coming out, how cool!

Pritesh in Year 5 has created a beautiful drawing. You can imagine how much went into this detail drawing.

The whole of **Reception** were also awarded 'Work of the Week' status for their performance in the School Assembly. They learned their lines perfectly and timing was wonderful. What a great achievement for your first assembly, Reception!

Outside School

Areen, George and **Marc** from Y4 won their mini league for the team they play for on Sundays called Berks Elite. There was a league of 4 teams. Their team won 2 and drew 1 game to finish top. As a result they received medals and here is a picture of their success.

Dawson has been working very hard in his martial arts class. You can see from these pictures that he looks like a professional!

Xander in Year 4 is enjoying softball so much at school that he got a ball and glove for his birthday yesterday. He then brought it in to show Miss Miall as he was so proud and keen to get playing!
