Head's Welcome

Dear Parents,

As I write, we are experiencing the vicissitudes of a British summer; such spectacularly hot and sunny days at the beginning of the week, followed by continuous rain now! Both of these experiences confirming the old adage, 'to make hay while the sun shines.'

At school this week, we did manage to follow that advice metaphorically. On Wednesday, Year 4 experienced their

first residential trip, staying for one night near Wokingham. They really enjoyed this important initial experience of sleeping away from home on a school trip and tackling a series of challenging activities. My thanks to Mrs Richards, Mr Holliday, Miss King and Mrs Bull for providing such a memorable experience and managing to beat the turn in the weather!

Yesterday, Miss Miall also showed excellent weather forecasting skills as she decided that the Year 1 and 2 athletics meeting against Claires Court here at Dair House, should still go ahead. The rain duly ceased and the water drained away sufficiently to

enable all the boys and girls from both schools to really enjoy our wonderful athletics track! My great thanks to Miss Miall and all the staff for preparing and leading such a lovely afternoon; such a wonderful event for children so young!

The next three weeks will undoubtedly be very busy as we race to the end of term. I hope you will manage to enjoy this weekend and that the rain relents at some point.

With best wishes,

Mrs Collins brought in baby Henry this week and how cute is he? We think he enjoyed his visit to

Dair House very much!

Years 1&2 took part in an athletics meeting with Claires Court School

EYFS Photographs from the week

Nursery have continued to enjoy planting in the garden along with Den Building and counting!

School Trips Update

Miss Mehar writes: "Year 1 had a fantastic time learning about desert plants at Kew Gardens in London. We were all amazed to see such a variety of plants and trees. The children took part in an interactive workshop, they listened and joined in so well. We did some drawings of desert plants and wrote some brilliant recounts when we returned to school. Here are some of our pieces of work, very well done Year 1!"

....Watch this space next week for an update on Year 4's residential trip!

Our Talented Children

Mrs Ford and Mrs Dickson were extremely proud of the **Nursery** children this week. They produced some beautiful work and they got to show the whole school!

As we have mentioned previously, Year 2 have been studying Africa and **Cezar** took it upon himself to go home and produce this wonderful presentation over the half term. He included facts and models of African masks.

Leo, Georgie and Rosie produced some wonderful work on bees. They shared some very interesting facts. Maybe if you see a Year 2 wondering around the school you could ask them to tell you a bee fact!

Year 3 entertained us all, live with their assembly today– Well done everyone, it was very entertaining.

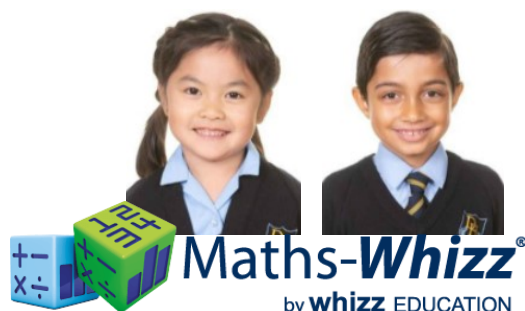

Maths Whizz

Maths Whizz winners this week were:

Amelia Year 2 with 11.7 progressions

Reuben Year 3 with 5.5 progressions

Fantastic work, both of you!

The Dair House Kindness Cup

is awarded to...

Katie

Katie in Year 6 has been very helpful this week by helping her friend around school as she had hurt her leg!

Outside School

Shiv achieved his stage 3 swimming—well done Shiv!

Leo in Year 2 was selected to represent Wycombe Wanderers U8 against MK Dons. It was a tough match, which unfortunately Wycombe Wanderers lost but a great learning experience!

Dexter in Year 4 was also selected to play for Wycombe Wanderers (U9) during the half term break. It was a very lively match, with Dexter scoring 4 goals. Sadly they were beaten by MK Dons on this occasion, but they all played really well.

Deeyan in Year 6 and **Megan** in Year 2 rescued an injured bird. Although mum and dad panicked, Both Deeyan and Megan remained calm. They found a shoebox, investigated the bird and gently transfer it to the box. They dug up some worms and found a saucer for water. The bird started moving as it recovered from the shock and started flapping it's wings, before flying off. Wonderful work, girls!

Rania in Year 4 passed her piano prep test. She worked so hard and achieved her first step in grading for Piano. Well done, Rania!
